### Media Rides: Guidelines for Passengers

Team AeroDynamix, the world's largest air show team, fills the sky with a remarkable display of precision formation and formation aerobatics. Our RV-series aircraft are experimental custom built planes which are nimble, low-wing monoplanes capable of attaining speeds in excess of 200 mph and are stressed for 6 g's. Often, less than three feet separates the planes during their performance. If you have not seen the Team in action, please watch our teaser video and learn more about us on our website. <http://teamaerodynamix.com/>

You will experience the thrill of close formation flying in your ride with Team AeroDynamix. We will not perform aerobatics with you as a passenger, but you will feel up to 2 g's as we maneuver through various formations and in the pitch up to land.

#### Media must meet the following requirements:

- Ages 18 and older
- Weight limit of 225 lbs and be of good health

We ask all passengers to prepare for their flight by following these guidelines:

- Dress comfortably and wear athletic shoes preferably - no flip flops, heels, or boots please.
- Media representatives may bring professional cameras and even small shoulder-mount video cameras - please contact your media/sponsor ride coordinator for questions.
- **A Passenger Release Hold Harmless will be required to be signed. 2ng page. Bring it with you signed. This is your ticket to ride.**
- Arrive on-time for your scheduled flight time else you get left behind!

We look forward to offering you this once-in-a-lifetime experience.
